

Sheer hard work and strong support have paved the way for Woh Hup to maintain its standing as one of Singapore's leading privately-owned building and civil engineering companies.

We have grown alongside Singapore and marking the country's milestones with many of our notable and iconic developments including Clifford Pier, MacDonald House, Gardens by the Bay, Reflections at Keppel Bay, The Interlace, Oasia Downtown Hotel and Jewel Changi Airport.

We work hard to stay at the forefront of the construction industry by providing high quality and sustainable innovative building solutions and our core values will continue to propel us forward.
